**OBJECTION OF OLIN CORPORATION TO THE APPLICATION  
OF THE CHAPTER 7 TRUSTEE TO APPROVE SETTLEMENT**

Olin Corporation (“Olin”), a creditor and party-in-interest in this bankruptcy, objects to the Application to Approve Settlement filed by Donald Sampson, the Chapter 7 Trustee (Donald Sampson and his predecessor as Trustee, the Honorable Laura K. Grandy, are referred to herein as the “Trustee”). As grounds for this objection, Olin states as follows:

**BACKGROUND**

1. On July 29, 2009, the Trustee entered into an Asset Purchase and Processing Agreement (the “APA”) with Industrial Asset Disposition LLC (“IAD”).
2. On August 17, 2009, a Motion to Approve Asset Purchase and Processing Agreement was filed seeking Court approval of the Agreement.<sup>1</sup>
3. By Order dated September 21, 2009, this Court entered its Order Approving and Clarifying the Asset Purchase and Processing Agreement.<sup>2</sup>
4. IAD assigned its rights under the APA to Paradigm Minerals and Environmental Services LLC (“Paradigm”).
5. On March 9, 2010, the Trustee filed a Motion to Clarify the Asset Purchase and Processing Agreement<sup>3</sup> which was approved by an Order dated May 4, 2010.<sup>4</sup>

<sup>1</sup> Docket No. 1142

<sup>2</sup> Docket No. 1157.

6. On July 23, 2011, the Trustee filed a Motion to Pay Secured Creditor and Allocate Funds (the “Payment Motion”)<sup>5</sup> seeking approval to allocate and pay the expected proceeds from sales of certain estate assets under the APA.

7. On July 13, 2011, the Illinois Environmental Protection Agency (“IEPA”) filed its Objection to Pay Secured Creditor and Allocate Funds (the “Payment Objection”).<sup>6</sup> On August 8, 2011, following a hearing on the Payment Motion and the Payment Objection, the Bankruptcy Court entered its Order granting the Payment Motion (the “Payment Order”).<sup>7</sup>

8. On August 22, 2011, the IEPA filed an appeal of the Payment Order (the “Appeal”) with the United States District Court for the Southern District of Illinois in Case Number 3:11-cv-836-DRH.<sup>8</sup> The Appeal is currently pending.

9. On December 14, 2011, the IEPA and the United States Environmental Protection Agency (“USEPA”) filed a Joint Objection to Second Interim Application to Pay Commission to Broker (the “Broker Objection”).<sup>9</sup>

10. On December 14, 2011, the IEPA filed an Objection to Sixth Interim Application for Compensation of Trustee Fees and Expenses (the “Trustee Objection” and, together with the Payment Objection and the Broker Objection, the “Objections”).<sup>10</sup>

11. The Trustee has entered into a Settlement Agreement (the “Settlement Agreement”)<sup>11</sup>, which results in a modification of the terms of the APA, as previously amended and which settles the Appeal and the Objections.

## GROUNDS FOR OBJECTION

12. The APA, as originally approved by the Court, provided for the distribution of Processing Revenue according to a formula set out in the APA. Processing Revenue was defined as the gross revenues from the sale of scrubber sludge, recovered materials and slag, net of operating expenses. In the Motion to Clarify the Asset Purchase and Processing Agreement, the parties amended the original APA and agreed that Paradigm, the "Buyer" and processor under the APA, would be paid a flat fee of 30% of the gross revenue from the sale of scrubber sludge, recovered materials and slag for its expenses incurred in the sale.<sup>12</sup> The Trustee's costs for administration and personnel, the Trustee's fees and applicable taxes are not covered by the 30% fee to Paradigm. The Trustee's costs are deducted after the 30% fee to Paradigm and before the distribution of the Processing Revenue.<sup>13</sup> In addition to the 30% fee for its expenses, Paradigm received a percentage of the Processing Revenue, presumably its profit for the processing and sale of the materials.

13. Under the Settlement Agreement, the flat fee paid to Paradigm for its expense in selling the scrubber sludge, recovered materials and slag is now called the "Buyer Fee."<sup>14</sup> Pursuant to the Settlement Agreement, the Buyer Fee would increase from 30% to 40%, effective March 31, 2012.<sup>15</sup>

14. Because the Buyer Fee is a percentage of gross sales revenue, the increase in the Buyer Fee results in a smaller percentage of revenue available for distribution to other parties in interest in accordance with the formulas set out in the Settlement Agreement.

---

<sup>12</sup> Docket No. 1426, Section 3page 2.

<sup>13</sup> APA, Exhibit A, definition of "Operating Expenses."

<sup>14</sup> Settlement Agreement, Section 2.j.(b), page 5.

<sup>15</sup> Settlement Agreement, Section 2.j.(b), page 5.

15. As an example, under the original formula for the distribution of revenue for the processing and sale of scrubber sludge and slag so long as there remains a balance due on the Smelter Purchase Price<sup>16</sup>, Paradigm receives 30% of the gross revenue plus 25% of the Processing Revenue. Assuming that there are no operating expenses for the Trustee, after payment of Paradigm's flat fee, 70% of the gross revenue remains for distribution, with 25% going to Paradigm. Thus, the total distribution to Paradigm is 47.50% of gross revenue (30% of gross revenue plus 25% of 70% of gross revenue). The total distribution to the estate under this formula is 35% of the Processing Revenue, or 24.5% of the gross revenue (35% of 70% of gross revenue).

16. Under the Settlement Agreement, Paradigm receives 40% of the gross revenue plus 15% of the revenue after payment of the Buyer Fee and Operating Expenses (a defined term that relates primarily to administrative expenses of the estate). Assuming that there are no Operating Expenses for the Trustee, after payment of Paradigm's flat fee, 60% of the gross revenue remains for distribution, with 15% going to Paradigm. Thus, the total distribution to Paradigm is 49% of gross revenue (40% of gross revenue plus 15% of 60% of gross revenue). The total distribution to the estate under this formula is 40% after payment of the Buyer's Fee, or 24% of gross revenue (40% of 60% of gross revenue). Under the Settlement Agreement, Paradigm receives an additional 1.5% of gross revenue and the estate receives .5% less of gross revenue.

17. Similarly, the 5% to be placed in the Escrow Fund for environmental remediation pursuant to Section 5.2 of the APA will be reduced under the Settlement Agreement because it is calculated after the gross revenue is reduced by the Buyer Fee. Because the Buyer Fee has increased by 10%, the 5% set aside for the Escrow Fund will be taken from a smaller pot. The

---

<sup>16</sup> APA, Section 4.4(a).

Escrowed Funds are set aside to insure the bankruptcy estate and the creditors don't have to pay for remediation issues caused by Paradigm in the event of Paradigm's default. In light of this, any reduction of the payments into the Escrowed Fund would be in violation of the APA and could potentially put the estate at risk.

18. Because the expenses relating to the Trustee's administration of the estate are going to be the same under the original formula or the formula for compensating Paradigm set forth in the Settlement Agreement, the Trustee's expenses will not impact the fact that Paradigm is receiving more under the Settlement Agreement than it agreed to receive under the APA as modified. Under the Settlement Agreement virtually all parties that are to receive distributions of revenue from the processing of scrubber sludge and slag will take less because of the increase in the Buyer Fee.

19. The Motion filed by the Trustee does not provide any explanation for these changes. No historical analysis is provided showing the expenses versus revenue over the past several years. No pro forma is provided showing the anticipated income and expenses so as to justify the increase in the Buyer Fee. Presumably, Paradigm presented some evidence to the Trustee and other parties in interest to justify the increase in its fees. If this is the case, there is no apparent reason why this information should not be made available to creditors.

20. As additional grounds for this Objection, under Sections 11.1 (a) and (b) of the APA, Paradigm was required to pay the purchase price and sell all of the scrubber sludge and slag before a deed is delivered to the Smelter Site.<sup>17</sup> It now appears that Paradigm does not have to remove all of the scrubber sludge and slag, but has the right, but not the obligation, to accept the transfer of or to sell the Smelter Site.<sup>18</sup> No justification is given for this change. Indeed, it is

---

<sup>17</sup> APA, Exhibit A, definition of "Smelter Transfer Date."

<sup>18</sup> Settlement Agreement, Section 2.a.vi., page 3 and Section 2.o., page 8.

not clear whether these options give Paradigm the right to do nothing, and what the impact on the estate would be if Paradigm neither accepts title to the property nor directs the sale to a third party. Further, it is no longer clear whether Paradigm has the obligation to sell all of the scrubber sludge and slag. The same questions arise with respect to the NPR property because Paradigm no longer has to accept transfer of the NPR Property. If Paradigm elects not to take title or direct a sale, what can the Trustee do and how will it impact the estate?

21. Finally, the Trustee has a binding contract and a Court order requiring a \$400,000 deposit. Without any explanation, the Trustee has agreed to modify the APA and reduce the deposit for the sale of the real estate.<sup>19</sup> There appears to be no justification for this revision.

22. The modifications made to the APA in the Settlement Agreement are not de minimis. Tens of millions of dollars in estate assets are going to be sold under the terms of the APA and the Settlement Agreement. The Settlement Agreement makes substantive changes in the APA that appear to be more favorable to the asset buyers than the original agreement approved by the Court. In light of the absence of apparent justification for these changes, Olin requests that the Motion to Approve the Settlement Agreement be denied.
